GET INVOLVED WITH TOGETHER FOR COHESION

WHO ARE WE LOOKING FOR?

Are you a local or regional authority, a private company, NGO, or another stakeholder involved with cohesion?

Do you have a success story about a project or an action funded by European cohesion funds that you want to share?

More importantly, do you want to take part in an exciting communication campaign to raise awareness of the benefits of European cohesion policy for citizens and stakeholders across Europe?

If so, you can play an important role in the “Together for Cohesion: Let’s rEUnite!” communication campaign!

WHAT’S INVOLVED?

We offer you the opportunity to become an active member of the Together for Cohesion communication campaign and to make your efforts visible!

Send us your story, pictures, or videos of your local project funded by the EU and of your organisation. We will give them visibility on the Together for Cohesion website!

You will help make our voice louder! We will share the media content produced by the campaign ‘Together4Cohesion: Let’s rEUnite!’, spreading it on social media with our hashtag #Together4Cohesion!

WHAT DO YOU GET OUT OF IT?

By joining our team, you will have the opportunity to:

- *Give visibility to your projects and your organisation*
- *Benefit from the learning experiences of the training workshops on how to better communicate cohesion policy*
- *Be involved and regularly updated on the upcoming activities of Together for Cohesion*
- *Be updated by AER on future cohesion and other EU funding opportunities*
- *Interact with AER’s wide network*
- ***Make a difference by raising awareness on European cohesion policy!***
