

EURODYSSÉY

Assembly of European Regions

Eurodysséy is the international mobility programme of the Assembly of European Regions (AER), offering young people quality traineeships across EU and non-EU member regions

Benefits of joining include...

BRINGING INTERNATIONAL TALENT TO REGIONS

Local businesses tap into a pool of diverse, motivated & skilled young people from all over Europe

BOOSTING YOUTH EMPLOYABILITY IN YOUR REGION

From language training to international office skills – trainees finish their traineeship with highly marketable CVs

EQUAL OPPORTUNITIES FOR ALL YOUNG PEOPLE

Eurodysséy provides traineeships for graduates and non-graduates, so everyone in your region can benefit

BUILDING STRONG NETWORKS ACROSS EUROPE

Exchanges help regions & local companies to link-up & create international partnerships within our network

What about financing?

EURODYSSÉY
ALLOWS FOR
FLEXIBLE
FINANCING !

CO-FUND THE HOSTING INFRASTRUCTURE

Regions mutually cover incoming trainees' living costs - salary, housing, food and transport - with the support of local companies

LANGUAGE TRAINING

The host region will give the opportunity to trainees to follow language courses

INSURANCE POLICY

The AER takes care of covering liability, hospitalisation and repatriation insurance for all the Eurodysséy participants

EU FUNDING FOR AFFORDABLE TRAINEESHIPS

AER supports regions in applying for the European Social Fund (ESF) to co-finance the Eurodysséy hosting costs

Founded in 1985, Eurodysséy has been a strong proponent in youth mobility, creating a symbiotic relationship between young talents beginning their careers and regions benefitting from fresh expertise.

Overall satisfaction
with the
Programme (2019)

Interested in joining? Here's how!

All interested regions must send a formal request addressed to the Eurodysséy President, as well as commit to a yearly AER membership fee. Contributions are calculated based on country GDP and regional population. However, there is a 2 year grace period should you like to try Eurodysséy.

If you would like more information, please contact the AER Programmes Coordinator, Lorène Weber:
